On others, imbibe to accept as they are!  
Ambience, adaptability aptness dazzles  
In letter and spirit and upholds immaculateness  
Grandpas stood for their credence and never succumb,  
Their Life is equal to thousand books  
I am glad and fortunate to be the part of the legacy and so you  
Our conviction is to acknowledge you and your Faith  
Your arrival enhanced, enriched and enthused our LIFE  
Promotion has taken into the world of new heights  
My dear your sacredness shall be my source and resource  
This is the root and will be the torch bear to the endless path  
Of not only mine, but of everyone.
