O sweet word! Thou art God's gift  
Through one can take a great lift.

Create pleasure and comforts all around  
With thy pleasing sound.

Wherever, thou art used  
All listeners are amused.

Charm everyone  
Harm none.

Cool not only listener  
But also speaker.

Create unity in diversity  
Develop brotherhood and universality.

Enrich social and family relation  
Strengthen neighbourhood and nation.

Root of love and harmony  
And remover of enmity and disharmony

Thou art a great gift of God  
And grace of almighty lord.

Words must be sweet ever

Bitter never.

Soothing ever

Hurting never.

Friendly ever

Unfriendly never.

Pleasing ever

Unpleasing never.
