

My Father

Dr. Sushil Kumar Mishra

Associate Professor & Former Head, Department of English, SRM University, Sonapat, (Haryana), India

I remember the post childhood days
When my good health and cheerful spirit was at bay.

I was suffering from acute abdominal disorder
And my bowel was not in order.

My father accompanied me from one doctor to other
Encouraged me not to bother.

Motivated me to take proper diet
And take sound sleep at night.

Told me to be active and dutiful
To make the personality beautiful.

Occasionally told me to look after farming
And my obedience to him made me darling.

His word was warning
And his preaching made my life charming.

He accompanied me to field
His teaching helped me as shield

He is no more in this world,
But his upright conduct and good moral character always inspire my inner world.

His foot prints make my life sublime.

His precious words prime.

His departing leaves behind me
Inspiration on the sands of time.
