

TOMORROW

Dr. Sushil Kumar Mishra

Associate Professor and Former- Head, Department of English, SRM University, Sonapat, Haryana, India

Tomorrow! Tomorrow! Tomorrow!

Never comes tomorrow.

Trusting it causes sorrow

Full of uncertainty to rely thorough.

Never trust tomorrow

And no one knows morrow.

However pleasant

Or however unpleasant.

However hopeful

And however unhopeful.

Never leave anything for tomorrow

Or hope for tomorrow.

Tomorrow may be best

Or may be worst.

No one knows tomorrow

Or can handle tomorrow.

Absolutely unknown,

Beyond to be known.

Trust no tomorrow

However pleasant,

Let the past forget forever,

Act positively in the living present

With patience and trust in God

Or supreme lord.
