

FORGIVENESS

Dr. Sushil Kumar Mishra

Glory to the God

For gifting forgiveness to thy creatures, O lord!

He prayeth best, who forgives best
All things both great and small;

For the dear God who forgives us,
He makes and loves all.

Forgiveness! Forgiveness!

God's precious jewel forgiveness.

The source of peace and happiness

And a great remedy for tension and uneasiness.

The most noble quality of human beings

Which is not destined to other beings.

One of the greatest human virtues

While comparing with nine other virtues.

The unique gift of God

And grace of supreme lord.

The root of all religions

And a source of love and spiritual inspirations.

An act of penance

To get rid of all sins at a glance.

Leads towards liberation

And spiritualisation.

Motivates towards positivity

Prevents from negativity.

Thank God

For bestowing this precious jewel to thy creatures, o lord!
