A detailed still-life composition featuring a quill pen as the central element. The quill is positioned diagonally, with its tip resting on a scroll of aged parchment. The scroll is secured with a red wax seal and a red ribbon. In the background, a lit candle in a brass holder casts a warm glow. In the foreground, a glass inkwell with a quill inside sits on a wooden surface, alongside a red wax seal and a small wooden object. The overall scene evokes a sense of traditional scholarship and research.
