Research Chronicler is peer-reviewed refereed and indexed multidisciplinary international research journal. It is published bi-monthly in both online and print form. The Research Chronicler aims to provide a much-needed forum to the researchers who believe that research can transform the world in positive manner and make it habitable to all irrespective of their social, national, cultural, religious or racial background.

With this aim Research Chronicler, Multidisciplinary International Research Journal (RCMIRJ) welcomes research articles from the areas like Literatures in English, Hindi and Marathi, literary translations in English from different languages of the world, arts, education, social sciences, cultural studies, pure and applied Sciences, and trade and commerce. The space will also be provided for book reviews, interviews, commentaries, poems and short fiction.

**Prayers for My Dear One**

- Dr. Archana Durgesh

I pray each day for you,  
To grow up to be a fine young man,  
Little do I realize, once you grow up,  
You'll be too big for me, to hold you in my  
arms.

You share a narrow couch because you,  
Crave for my warmth and closeness,  
Once you grow up to be a fine young man,  
Instead of that couch you'll make a world of  
your own.

You love me unconditionally; even if I,  
Scold you or hit you hard,  
Once you grow up to be a fine young man,  
You'll have an outlook of your own.

I pray each day for you,  
To grow up to be a fine young man,  
Once you grow up to be a fine young man,  
I'll still expect you to be my warm loving,  
Momma's boy.

I pray each day for you,  
To grow up to be a fine young man,  
Once you grow up to be a fine young man,  
You'll still remain my tiny bundle of joy.

I pray each day for you,  
To grow up to be a fine young man,  
Once you grow up to be a fine young man,  
I'll always expect you to give me hugs and  
kisses without any reason or rhyme.

I pray each day for you,  
To grow up to be a fine young man,  
Once you grow up to be a fine young man,  
I'll always expect you to give me your early  
morning innocent killing smile.

**ME & YOU**

- Dr. Archana Durgesh

I watched you sleep the other day  
Wondering when you'll get up  
Turn my world upside down  
And give me a reason to live another day of my  
life.

I love you more than my life  
And wonder how many times  
I have got up from deep slumber to see you,  
Hold you safe in my arms.

I can't reckon the times I have let you down,  
The long hours you spent waiting for me while  
I worked.

I can't count the tears of the fears,  
Of knowing I wouldn't always be around.

I am living each day seeing you grow  
Just the way I watched my tummy grow  
Your touch stirs emotions I never experienced  
Just the way I felt when you kicked inside.

I heard that a child chooses his mother before  
his birth

I don't have words to thank you profusely  
Never forget that your birth has been the best  
thing

That has ever happened to me.
