
Purity

Maa Kali ! Thou created me as human being
Which is not destined to all beings.

I need thy blessings to keep all five senses pure
And absolutely cure.

If thy blessing is with me
And thou art be with me,
I will not allow my ears to listen to negative words.
And my eyes to see negative world.
Rather I will allow my eyes to see Thee
Only thee.

I will not allow my nose to take smell of dirty thing
And my tongue to take taste of impure thing.

I will allow my hands to serve ever
Harm never.

I will always try to keep my body pure realising
That thy blessing is upon all my limbs.

I will ever try to drive out untruth from my thoughts
This is expected to be wrought.

As" thought is life, strength and breath
And want of thought is death."

I will ever try to drive out all evils away from my heart
Knowing that thou hast thy seat in my heart.

I will ever do my endeavour to reveal thy glory in my action
Realising thy power which gives me strength for action.
