

Conviction

Dr Sushil Kumar Mishra

Conviction, the mother of great deeds
And key to great feats.

Stresses the firm faith in one's inner strength
Which boosts to reach the mission at length.

Blessed is the man of strong conviction
Who believes in action
Neither in reaction
Nor in fiction.

Avoids inaction
And gives up addiction.

Develops by self-labour
Without getting favour.

Encounters misfortune
Makes his own fortune.

Remains smiling
And striving.

Believes in achieving
And pursuing.

Thanks to God for gifting conviction to human beings
Which is rare to small creatures, animals and other beings.
