While there is dream there is life

No dream no life.

Dream ! Dream! Reality of life
Through which one can realise life.

Dream! Dream! Quality of life
Through which one can qualify his life.

Dream! Dream! Teacher of life
Through which one can succeed in life.

Dream! Dream! Motivation of life
Through which one can reach the mission of life.

Dream! Dream! Inspiration of life
Through which one can reach at the best of his life.

Dream! Dream! Reminder of life
Through which one can reach the sublime of life.

Dream! Dream! True friend of life
Through which one can enjoy his life.

Life becomes barren field without dream
And dream proves supreme cream.
