

My Association with Lord Shiva

Dr. Sushil Kumar Mishra

Associate Professor & Former Head, Department of English, SRM University, Sonapat, Haryana

I remember the day
Many years back away.

It was my mother's motivation
To trust in Lord Shiva and his inspiration.

It was my childhood day
Lord Shiva did not keep me away.

My mother motivated me towards spirituality
Through which I developed spiritual mentality.

It was my childhood year
Lord Shiva was my quite dear.

I visited Shiva temple frequently
My association with Lord Shiva developed smoothly.

I trusted lord Shiva blindly
He blessed me kindly.

He loved me in the form of Lord Shiva
As well as in the form of Mahavira
