I find thee in child

Let me be meek and mild.

I find thee in beast

And get thy love as sumptuous feast.

I find thee in all human beings

By thy grace I wish to be super being.

I find thee in the cloud

Thou make my speech bold and loud.

I find thee in the river

Thou keep me free from fever.

I find thee in the sky

Thou inspire me to reach high.

I find thee in the sea

Thou supervise me without fee.

I find thee in tree

Thou make me tension free.

I find thee in plants

My request gets thy grants.

I find thee in birds

Thou consider my internal words.

I find thee in insect

This is thy fact.

I find thee in temple

This is thy ready -made sample.

I find thee in river

Thou help me ever.  
I find thee in the Sun  
Thou love me like thy son.  
I find thee in the Moon  
Thou come to help me soon.
