

March

Dr. Sushil Kumar Mishra

Associate Professor & Head Department of English, SRM University, Sonapat, (Haryana) India

March! March! The third month of the year

Thou arrive with greenness and cheer.

March! March! Symbol of delight

After long winter thou hath taken flight.

Days are sunny,

Morning is funny.

Birds are chirping,

Animals are flirting.

Flowers are smiling,

Crops are shining.

The Environment looks green,

The Sky looks clean.

Cattle are grazing,

Nature looks dazzling.

Plants and trees have put off old dress

And put on new dress.

Trees are laden with fruits

And taste sweet.

Butterfly is fluttering from flower to flower

Filling the atmosphere with pleasing musical shower.

Bees are humming

And please everyone with singing.

The Cuckoo and the Nightingale enrich the atmosphere with sweet song

And Daffodils beautify the atmosphere with dancing long.

It is the year's pleasant king;

Children dance in a ring.

O Beautiful month of the year!

Everyone welcomes thee as dear.
