I killed... My Father  
On every occasion  
Of pain and dissolution;  
He was killed  
With every sigh and nodding.  
I killed him several times  
With words of impoliteness.  
I excavated him  
On every possible grounds  
By inches...  
He was found dead  
For many a time before  
His exit,  
He has become a passing reference  
At the bed.  
He is with  
Tremendous desires and unending urges  
He is with  
A sound of darkness that  
Cannot be illumined...  
I deserve all the credit of  
Playing on the game of  
Abusing for unidentified deliverance.  
I simply killed him to suffice his unrest...!
