Mercy! Mercy! The great gift of God

And grace of supreme lord.

A root of all religions

And a source of love and emotions.

Thank God

For bestowing this jewel (mercy) to thy creatures, O lord!

For providing great gift (mercy) to them unasked

Saving them from growing sinful desires fast.

Passing through sorrow and suffering

Thou gifted them great offering.

Thou inspired them to share sufferings of other

Without bother.

To be kind and compassionate to other creatures

Without judging their natures.

O God only thee!

Really only thee!

Who imparts this noble virtue

Making life meaningful and true.

Whenever, they are sympathetic and merciful to anyone

Their tendencies of heart are satisfied, for this they thank thee, none.

O God! Thou have been enriching their lives with thy great gift

Making them worthy of living and fit.

Day by day thou art teaching them to live and die for others

Without discriminating from one another.

O God! Thou have made their lives blessed and successful

Really they are thankful and indebted to thee for making their lives beautiful.
